

**Now Hiring**  
(POSTED 08/25/2022)

The Beaver County Assessor's Office is now taking applications for an office position. This position's Job requirements would include basic math (including fractions and decimals), reading, reading comprehension, and writing. The primary focus would be in the office. Computer experience would be helpful. The job includes long periods of sitting, some standing, and occasional lifting. Eligible applicants would need to be able to work independently, and be able to provide positive interaction with property owners in Beaver County. Training is available. This job would be a good position for an individual who is interested in starting a career in county government or operations.

Applications are available at the Beaver County Assessor's office in the courthouse. For more information call Chuck at 580-625-3116.
