

Beaver County, Oklahoma
County Commissioners Proceedings

The Board of County Commissioners met in regular session at 9:00 a.m. in the Office of the County Commissioners on February 27, 2023. Notice of the meeting was posted for public information on February 23, 2023 at 4:00 p.m. at the East, West and North entrances to the Beaver County Courthouse and www.beaver.okcounties.org.

Motion was made Regier and seconded by Rose to approve the minutes of the February 21, 2023 meeting. Motion carried with voting; Rose, Aye and Regier, Aye.

Public Comment: Gage Scott addressed the Board regarding a sprinkler system for the Courthouse grounds. He stated that Beaver County has one of the nicest courthouses in the surrounding areas. This would greatly improve the grounds. We currently are using a tractor to water which takes all day. He gave some figures to the Board which were lower than if we had to go out for bids. The Commissioners will consider this and we will get back with Gage in the event they want to move forward with this and put on future agenda.

Motion was made by Regier and seconded by Rose to approve the (2) Applications for Road Crossing from Rhett Radcliff between Sections 24 & 25-6N-22ECM. Motion carried with voting; Rose, Aye and Regier, Aye.

Motion was made by Regier and seconded by Rose to approve to pay the Sheriff Dispatchers any accrued vacation, comp and holiday pay that was carried over from the end of December 2022. This will be paid out in April. Thereafter, the Dispatchers will be paid any accrued comp time they have on a quarterly basis. The clerk will run special payrolls to accommodate this. The accrued time will be paid out of the Sheriff Cash salary accounts as well as the matching amounts. The Dispatcher that is paid out of the 911 account will be paid out of the 911 account as well for any accrued comp time. The Dispatchers will also be going

on a 28-day cycle on their time sheets like the Deputies do. They are thinking this will eliminate the excessive comp time that is being accrued. Yeomans did ask if we needed a Resolution for this and Rose said no the minutes would be sufficient. The Excise Board approved this in their February 23, 2023 meeting as well. Motion carried with voting; Rose, Aye and Regier, Aye.

Yeomans informed the Board that her office is spending too much time correcting time sheets and sending back to offices for corrections. Per State Auditors, it is the Officers responsibility to ensure the time sheets are correct when they sign off on them. Her office will no longer pull previous months' time sheets to ensure they are correct. The Officer needs to make sure vacation, sick leave and accrued comp time are correct from the end of the month to the beginning of the next month. It is a good idea for the employee to keep track of their ending and beginning time as well. This is very important especially if an employee terminates or retires. We do not want to underpay or overpay our employees.

Motion was made by Rose and seconded by Regier to approve Request for Purchase Order from General Government Sales Tax Account #Cash-66D ~ 1306-1-8020-2005 as follows. Motion carried with voting; Rose, Aye and Regier, Aye.
